

ENROLL IN MCFI'S  
**WELLS STREET  
Academy**

Wells Street Academy is a private school designed for children ages 4 to 21 living with complex medical conditions.

Each student receives education and health care from an interdisciplinary team of therapists, teachers, nurses and certified nursing assistants. The team works closely with the child's family and health care team to help the child achieve both educational and health care goals.

- Core values
- Respect for each child's unique talents
  - To find the best way to support each child
    - Support each child's individuality
    - Serves children and their families
  - Delivers the full array of a child's needs — medical, educational and social/emotional
    - Functions as a team
